

Aerial FX Shooters School & Demo Location

Directions to Training/Shoot Site:

From Topeka: Head South (on Topeka Blvd or on the 75 Bypass at Burlingame from 470) staying on Old 75 Hwy for 4 miles. At 117th turn right (West) onto gravel road for 1/4 mile then stay right (North) onto Jordan Rd. Watch for the signs on the left. Follow them back and around to the lake for the shoot area. If you just want

about hearing the announced shot sequence, you should park on the hill in the back field. A printed list of shells to be shot will be available for your review.

**Training/
Shoot Site**

Note:

Signs will be posted on old 75 for the shoot site approx 2 miles South of Wakarusa & North of Carbondale
